

Certificate

This is to certify that Melanie Musterfrau wrote her pre-academic paper "Wie gesund is(s)t der Schüler? Untersuchung zum Essverhalten in der Schule" based on the research project "BrotZeit – Lesachtaler Brot im intergenerationellen Dialog", which was carried out at the Alpen-Adria-Universität Klagenfurt.

In the framework of this final school paper she was able to gain an insight into scientific questions and scientific working.

We wish her all the best for a successful future.
